

The image is a screenshot of a game interface. At the top, the text 'Gagné !' is displayed in a large, white, sans-serif font. Below this, a smaller line of text reads 'Félicitations vous avez trouvé toutes les paires! Recommencez!'. In the center, there is a white rectangular button with the word 'REJOUER' in blue capital letters. Below the button is a cartoon penguin character with a black body, white belly, large white eyes with black pupils, an orange beak, and orange feet. The entire interface is set against a teal background. Two blue arrows point downwards from the top edge of the frame towards the game area.
